

DENTAL CRAFTS LTD.

presents:

CLEARBOW

TESTED OVER **FIVE YEARS** ON
MORE THAN **6000 ORTHODONTIC**
APPLIANCES.

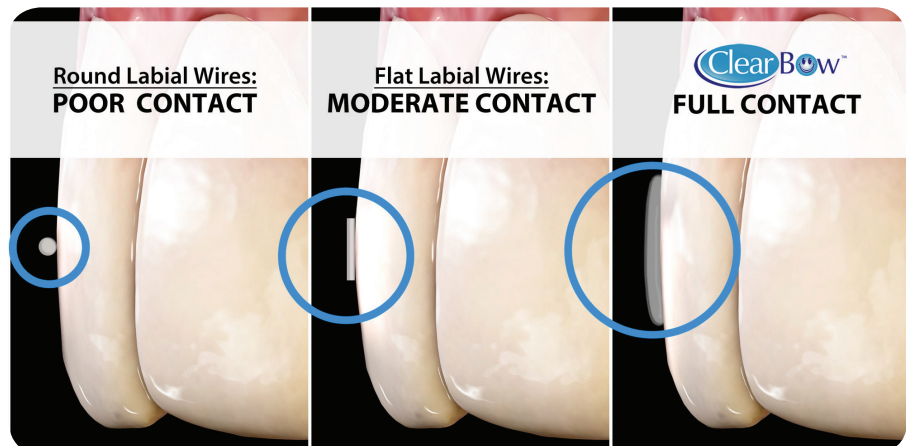

aesthetic / adjustable / guaranteed

Designed to provide both aesthetics and durability, the new **ClearBow** is an adjustable labial bow offering 2.75 mm of full labial contact. ClearBow features a patented design and is fabricated from food-grade materials made in the United States and manufactured in Canada.

The **BPA-free** plastic strap is guaranteed not to break under normal use, and is not damaged by boiling water or stained by coffee, cola or red wine.
